### Description

Industries, regulators, and consumers alike see cybersecurity as an ongoing challenge in our digital world. Protecting and defending computer assets against malicious attacks is a part of our everyday lives. From personal computing devices to online financial transactions to sensitive healthcare data, cyber crimes can affect anyone. As technology becomes more deeply embedded into cars in general, securing the global

[Show more](#)

# Read online for 5 minutes, then ...

The screenshot displays the ProQuest Ebook Central interface. At the top, the navigation bar includes 'Home', 'Search', and 'Bookshelf'. The main content area is partially obscured by a white modal dialog box. The modal has a title 'Sign In to Ebook Central to continue reading' in orange text, followed by the subtitle 'Get back to your book in less than a minute.' Below this, a message states 'You will be taken to Bibliothek der Fachhochschule Aachen's Sign In page.' At the bottom of the modal are two buttons: 'Cancel' and 'Continue'.

Behind the modal, the book details for 'Automotive Cybersecurity : An Introduction to ISO/SAE 21434' are visible. The authors are David Ward and Paul Wooderson. The publisher is SAE International, and the date is 2021-12-16. A 'Search within book' field is present, and a 'TABLE OF CONTENTS' section lists the following items:

- Cover
- Title Page
- Copyright Page
- Contents
- Preface
- About the Authors
- ▶ CHAPTER 1 Introduction to Automotive Cybersecurity
- ▶ CHAPTER 2 Cybersecurity for Automotive Cyber-physical Systems
- ▶ CHAPTER 3 Establishing a Cybersecurity Process

## Media Stock & Shelving

### Acquisition Request

We are always interested in providing you with media that are missing from our collection. Please let us know what you would like us to acquire for you.

To do this, we offer you two options:

- > online - send us your acquisition request at your convenience by filling in the form.
- > in person - come to the library during service hours to submit your acquisition request in person.

Please check in advance whether the item is already available in the library. For this, please search our Catalogue PLUS.

#### What we can obtain for you

We are happy to order media for you that you need for:

- > teaching and studies,
- > research and development
- > artistic and creative tasks
- > as well as for further education

at FH Aachen.

The responsible colleagues will assess your request and get in touch with you. If we order the item for you, you are welcome to reserve it. As soon as it arrives at the library, you will receive a pick-up notification by email.

### 2. An Exploratory Study: Correlations Between Occupational Stressors, Coping Mechanisms, and Job Performance Among Chinese **Aviation Maintenance Technicians**.

By: Yu Wang; Keller, Julius C.; Chenyu Huang; Fanjoy, Richard O. Journal of **Aviation** Technology & Engineering. 2016, Vol. 5 Issue 2, p69-80. 12p. DOI: 10.7771/2159-6670.1129

**Aviation maintenance** technicians play a vital role in air transportation. These workers are responsible for keeping aircraft airworthy and executing safety responsibilities. Undesirable stress le...

### 3. Availability based Optimal **Maintenance Policies** in Military **Aviation**.

By: RAI, RAJIV NANDAN; BOLIA, NOMESH. International Journal of Performability Engineering. Sep2014, Vol. 10 Issue 6, p641-648. 8p.

**Aviation** components are considered repairable and subjected to **maintenance** actions at various levels. The paper discusses general renewal process for an aero engine as repairable component. Relia...

### 4. Performance Measurement of Depot Level **Maintenance** in Military **Aviation** Environment.

By: CHABRA, SAMIR; GANDHI, O. P.; DESHMUKH, S. G. International Journal of Performability Engineering. Sep2012, Vol. 8 Issue 5, p527-537. 11p.

The enormous asset dimension in terms of investments, technology, lifespan and end use of aerospace assets makes **maintenance** an important business process. The performance measurement of depot le...

**Wheels - Passenger Car and Light Truck Performance Requirements and Test Procedures**

Current

Published 2016-03-18 by SAE International in United States

Ground Vehicle Standard

J328\_201603

...normal highway use and temporary use on passenger cars, light trucks, and multipurpose vehicles. For heavy truck wheels and wheels intended to be used as duals, see SAE J267. For wheels used on trailers drawn by passenger cars, light trucks, or multipurpose vehicles, see SAE J1204. These minimum performance requirements apply only to wheels made of materials included in Tables 1 to 4. The minimum cycles noted in Tables 1 through 4 are to be used on individual test and a sample of tests.....
